SLIDEHEROES

# GOLDEN RULE

## FOLLOW A PROCESS

Follow a Who, Why, What and How process

# A FOUR STEP PROCESS

## WHO

- Who is our audience?

## WHY

- Why are we speaking to our audience (identify their question)?

## WHAT

- What is our answer to our audience's question?

## HOW

- How will we deliver this presentation?

# A FOUR STEP PROCESS

## WHO

- Who is our audience?

## WHY

- Why are we speaking to our audience (identify their question)?

## WHAT

- What is our answer to our audience's question?

## HOW

- How will we deliver this presentation?

# A FOUR STEP PROCESS

## WHO

- Who is our audience?

## WHY

- Why are we speaking to our audience (identify their question)?

## WHAT

- What is our answer to our audience's question?

## HOW

- How will we deliver this presentation?

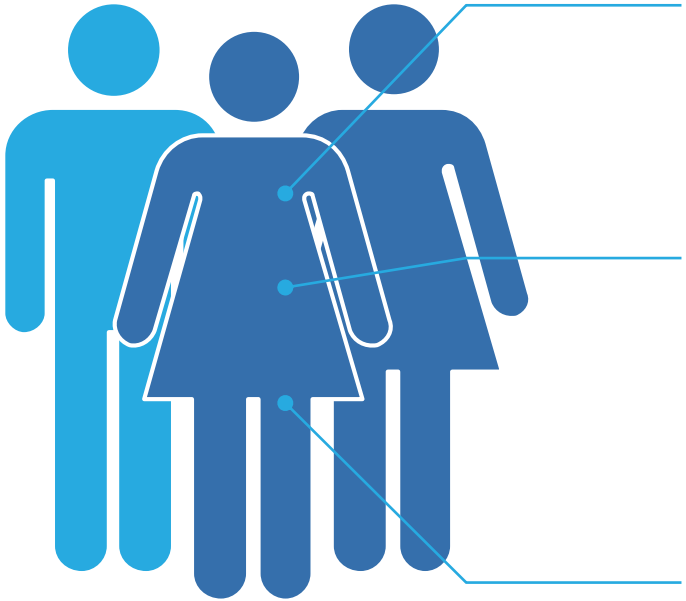
# STEP 1: WHO



**Who is the Hero?**
It isn't you!

**Who in the audience matters?**
Who are the decision makers?
Where does power reside?

**What biases do they have?**
How do they like to consume information?

# A FOUR STEP PROCESS

## WHO

- Who is our audience?

## WHY

- Why are we speaking to our audience (identify their question)?

## WHAT

- What is our answer to our audience's question?

## HOW

- How will we deliver this presentation?

# STEP 2: WHY

- Determine **what the audience already knows** about the situation

# STEP 2: WHY

- Determine **what the audience already knows** about the situation
- Identify the **question inside the mind of the audience** you are answering

# STEP 2: WHY

- Determine **what the audience already knows** about the situation
- Identify the **question inside the mind of the audience** you are answering
- Decide what you want your audience **to do as a result** of the meeting

# STEP 2: WHY

- Determine **what the audience already knows** about the situation
- Identify the **question inside the mind of the audience** you are answering
- Decide what you want your audience **to do as a result** of the meeting
- Consider what need your audience **to understand** to achieve the meeting's goal

# STEP 2: WHY

- Determine **what the audience already knows** about the situation
- Identify the **question inside the mind of the audience** you are answering
- Decide what you want your audience **to do as a result** of the meeting
- Consider what need your audience **to understand** to achieve the meeting's goal
- **Create an introduction** to your presentation that includes the context of the situation and the catalyst for the meeting

# A FOUR STEP PROCESS

## WHO

- Who is our audience?

## WHY

- Why are we speaking to our audience (identify their question)?

## WHAT

- What is our answer to our audience's question?

## HOW

- How will we deliver this presentation?

# STEP 3: WHAT

### BRAINSTORM
Brainstorm ideas; identify supporting fact-based evidence

### STRUCTURE
Structure ideas; create arguments; bucket your arguments into MECE groups

### STORYBOARD
Storyboard the presentation and work on flow

### DESIGN
Create your slides and populate them with supporting evidence; design charts and supporting visuals

# A FOUR STEP PROCESS

## WHO

- Who is our audience?

## WHY

- Why are we speaking to our audience (identify their question)?

## WHAT

- What is our answer to our audience's question?

## HOW

- How will we deliver this presentation?

# STEP 4: HOW

- Write **verbal script**

# STEP 4: HOW

- Write **verbal script**
- **Practice**, practice, practice

# STEP 4: HOW

- Write **verbal script**
- **Practice**, practice, practice
- Focus practice on **clarity, pace, engaging with audience**, making **eye-contact** and **smiling**

# A FOUR STEP PROCESS
